

# IKA ISTIQOMATUZZAHRA

I am a graduate from SMKN 1 Nglegok majoring in Network Computer and Engineering who is interested in the IT field. Highly motivated, eager to learn, and ready to contribute in a professional environment with strong teamwork and responsibility.

## EDUCATION

- **(2023 until 2026 ) SMKN 1 Nglegok**  
– Network Computer and Engineering
- **(2020 until 2023 ) SMPN 1 Garum**
- **(2014 until 2020) SDN Sidodadi 1**

## SOFT SKILLS

- Discipline
- Meticulous
- Time Efficiency
- Communicative
- Able to work in teams and individually
- Problem-Solving

## ACHIEVEMENT

- **Top 2 class rank in SMK consistently**  
( 2023 - 2026 )
- **2nd place winner of "Invention 2025"**  
**quiz competition at SMKN 1 Nglegok**

## HARD SKILLS

### • MikroTik

Configured MikroTik routers by deploying routing protocols, establishing secure tunnels, managing wireless networks, assigning IP addresses, setting up DHCP servers, configuring queue management, applying Firewall NAT rules, bridging interfaces, and ensuring effective load balancing for reliable network performance.

### • Linux Debian

Installed, configured, and maintained Linux Debian systems by setting up SSH access, configuring DNS, DHCP, FTP, and NTP services, and deploying web servers using Apache and NGINX.

### • Network Infrastructure

Experienced in installing LAN cables, splicing fiber optic cables, operating and configuring TP-LINK and LHG-5 devices for wireless connections, and building simple network infrastructures.

### • WEB Programming

Experienced in developing and styling responsive web pages using HTML and CSS, with the implementation of interactive features using JavaScript.

## EXPERIENCE

### • Work Experience – Job Training

#### PT. Oofydi Media Group

( July – December 2025 )

- Assisted in installing, configuring, and troubleshooting internet networks for client.
- Configured DHCP, NAT, and routing protocols (OSPF or static routing) on MikroTik routers.
- Participated in the deployment and monitoring of fiber optic and wireless networks.

### • Organizational Experience

#### IT Society

Secretary | 2023 – 2025

- Managed administrative tasks.
- Organized meetings.
- Worked closely with team members in planning technical activities.

## COURSE CERTIFICATE

- Network Fundamental – Aguna Course
- Linux Fundamental – Aguna Course
- Virtual Machine Fundamental – Aguna Course
- Cisco Dasar – ID Networkers
- Mikrotik Dasar – ID Networkers
- Belajar Linux Dari 0 – ID Networkers
- Belajar HTML – Always Ngoding
